Course Conduct: Students are expected to dedicate considerable time completing assignments as homework in preparation for the classroom activities. Student use of time includes the following:

- Outside companion course assignments – 45%
- Classroom lectures - 5%
- Student classroom activities – 50%
  - Students acknowledge that writing is a collaborative process, and, as such, classroom activities will occasionally require sharing or presenting papers and ideas.

Students may seek assistance from Student Support Services, located in the Johnson Learning Commons, to **check** homework assignments. (Waldron and Mount Ida centers have tutoring services available as well.) It is not the responsibility of Student Support to re-teach the entire lesson to complete homework. Please contact the course instructor to resolve difficulties regarding the course. Expect a minimum of nine hours of work per week on this class.

Recording a class or reposting, copying, or distributing material found is expressly forbidden unless the instructor has given written permission.

UA RICH MOUNTAIN Credit Hour Calculator: For every course credit hour, you should expect to spend at least three clock hours per week of concentrated attention on course-related work, including but not limited to: time attending class, as well as out-of-class time spent reading, reviewing, organizing notes, preparing for upcoming quizzes/exams, problem solving, developing and completing homework, and other activities that enhance learning. For a three hour course, a typical student should expect to spend at least <u>nine</u> hours per week dedicated to the course. This includes the time spent in class.

Course Requirements/Evaluation:
Student grades are recorded in the instructor's gradebook in Moodle each week. Weekly graded assignments coordinate with the English Composition I course. The Accelerated Reading & Writing Instructor will collect work to be graded each week. These assignments may be taken from *The Great Grammar Book*, Instructor printed materials, or Composition I essay assignments. Unless informed otherwise, quizzes are to be taken in the presence of the Instructor.

<u>Assessments:</u> Outcomes are assessed by both reading and writing assignments throughout the semester. Assessment activities include lower and higher order thinking skills.

Grading scale:
A = 90-100%
B = 80-89%
C = 70-79%
D = 60-69%
F = 59% and below

Cumulative grades are reflected by the following:

Writing Assignments
Quizzes
Class Activities
Final Exam

Class Procedures/Student Requirements:
Regular attendance and punctuality are expected; therefore, if a student fails the course due to non-attendance, s/he may receive a grade of NF, which may require repayment of grant funds. Regular submission of assignments is required.

Late Policy: Homework assignments are due at the **beginning** of class and will be marked late if they are not ready when class begins. Weekly assignments may be submitted for grading within **one week** of the assigned due date; however, late penalties (10%) apply, so it is essential to follow due dates. Acceptance of late work beyond one week is at the discretion of the instructor.

All arrangements for submitting missed work are to be made with the instructor **in advance**. It is the student's responsibility to initiate these arrangements. Other arrangements must be secured through the office of the Vice Chancellor for Student Affairs - ext. 1400.

Procedures/Student Requirements:
Regular attendance and punctuality are expected. Participation in the classroom activities is also expected. The following number of absences is considered excessive:

- Classes meeting two (2) times a week – 3
- Classes meeting one (1) time a week – 2

Academic Dishonesty: Honesty is expected, and a zero will be given on any assignment if cheating occurs. Cheating or plagiarizing on a test or assignment is not tolerated. All borrowed information must be cited. Plagiarism on papers can result in an "F" for the course.

Some types of plagiarism include:

- Submitting someone else's work as your own (paraphrasing, failure to cite sources)
- Sharing assignments/answers with other students (both students will receive a zero)
- Skimming information off of the internet without correctly citing sources

Consequences of plagiarism:

- 1st offense of plagiarism:
    - Less than 10% of an assignment plagiarized → proportional grade deduction on assignment
    - 10% or more of an assignment plagiarized → automatic zero on the assignment
- 2nd offense of plagiarism → removal from the course with a W

Additionally, disciplinary proceedings according to College policies may be initiated. Consult the College Handbook for more information. *If you ever have any questions about*

plagiarism or how to document a particular source, please ask me. I want you to avoid plagiarism, too.
