Grading Rubric

A - Excellent Work, a high understanding of course material and subject matter; able to fully understand both details and the big picture.

B – Good Work, understood material, able to demonstrate an ability to think through some issues; lacking a grasp of some significant details or the larger context, some grammatical or editorial problems.

C – Acceptable Work, moderate amount of effort put forward, no real insight, but some understanding of subject matter.

D – Barely acceptable work with only minimal effort demonstrated; patchy or superficial understanding.

F – Unacceptable Work, no understanding of subject matter and no effort put forth.
