ARKANSAS REPERTORY THEATRE

A fundamental anchor for the quality of life in Central Arkansas, The Rep creates vibrant and engaging theatrical experiences that are accessible to everyone in our community. With our work, The Rep seeks to make lives more full, more interesting, and more joyful.

The Rep's core programming is a year-long season of 5-6 productions, freshly created for our audiences in an intimate, 340-seat theatre in downtown Little Rock. We tell stories that provide entertainment and escape, that help us process the world around us, and that foster a sense of mutual understanding. Unlike most of an ever-present electronic media, the live experiences of The Rep are distinctly theatrical-immersive and shared by the community in a public space outside of individual homes. As the state's most established professional theatre since its founding in 1976, we maintain the highest artistic standards, featuring award-winning artists, both local and from across the country, particularly celebrating artists and works with connections to our community.

Through free student performances, curriculum creation & in-school workshops, classes & camps, and youth-driven productions, The Rep also strives to engage our young community members in the appreciation and creation of theatre, often providing them with their first exposure to the artform.
