AUTHOR TALK AND BOOK SIGNING

Monday, November 20th at 1 PM

at the Ouachita Center

Known as the “Gray Fox,” Tims Edwards is an avid hunter and fisherman who shares his adventures and love for the outdoors in his books. The books are at once entertaining and philosophical. As Tims states, “When things appeared tough, somehow in a deer stand, duck blind, or a boat, I seemed to find a way to solve whatever problem I might be facing.”

Deeply rooted in Montgomery County, Tims is a retired school administrator and has received numerous awards for his work in outdoor education. He and his wife, Catherine, split their time between Colorado and Arkansas.
