Course Description: A study of human behavior with emphasis on heredity, environment, personality, learning, memory, motivation, and abnormality. This course is designed to satisfy a general education requirement in the social sciences and will provide the necessary background for those desiring additional course work in the field of psychology.

Program Outcomes: *The general education curriculum provides how* students will increase their:

(1) writing, reading, speaking, and listening skills,

(2) analytical skills to solve real-life problems,

(3) understanding of different cultures and societies across the globe and how both have changed over time,

(4) technological and research skills

(5) understanding of basic principles and their application in the field of biological sciences.

Rationale: An education in general psychology should enable the student to think critically about moral and ethical issues in relationship to individuals within a society. It should also enhance people skills and enable one to have healthier relationships, as well as improving the student's understanding of research and how it applies to individuals and the society in general.

Course Objectives: Upon completion of the course, you should:

- Think critically and analytically about issues related to human development and behavior.
- Demonstrate a basic understanding of the scientific method as it is used in psychology.
- Demonstrate your knowledge of the principal findings and theories in general psychology.
- Apply your knowledge of psychology to human and social problems and their solutions.
- Express your views in writing in an informed and cogent manner.

Course Conduct:

Presentation of material will include assigned textbook readings, power point lectures and videos, as well as group interaction and discussion (60%-70% lectures and videos, 30%-40% discussion). Student participation is strongly encouraged but cannot become disruptive to other students or the instructor. I will be distributing notes for each chapter, so you need a **three-ring binder** to keep them in; you need **paper and pen/pencil** for taking notes and quizzes, and a **#2 pencil** for taking some exams. *Be sure and keep all notes, homework, and study guides all semester*.

UA Rich Mountain
Credit Hour

A typical three credit hour class will require about ***nine hours per week*** *of* concentrated attention on course-related work. This should include time attending class, as well as out-of-class time spent reading, reviewing, organizing notes, preparing for upcoming quizzes/exams, problem solving, completing assignments, and other activities that enhance learning.

Attendance Requirements: Regular and punctual attendance is expected. **It is the student's responsibility to contact the instructor if he/she will not be present for class.** *A student who is displaying* ***symptoms of illness*** *must email:* ***contact.tracing@uarichmountain.edu*** *to determine next steps for an excused absence related to COVID or flu. Contacting an instructor DOES NOT start this process or guarantee an absence.* Attendance will be taken at the beginning of each class. As your instructor, I will be responsible for assigning your final grade. Therefore, *if you need to drop the course for any reason, please go through the official procedure as stated in the UA Rich Mountain catalog.* Do not just stop attending class because an official withdrawal is noted by a "W" instead of "F" on your transcript. For security reasons, the classroom door will be shut and locked at 8:05 so try to be on time.

Grading and Evaluation: Your final grade will be based on points earned through unit exams, quizzes, a final exam, study guides, homework, and participation. There may be opportunities given to earn extra credit points during the semester. Unit exams and quizzes account for approximately **42%** of your grade and the final exam accounts for approximately **15%**. Participation, study guide and homework points will account for approximately **43%** of your grade. **All students must take the final exam to pass the class.** Grades are assigned based on a standard percentage scale:

90 – 100	A
80 – 90	B
70 – 80	C
60 – 70	D
0 – 59	F

You will be able to view your grades on the student portal once they are entered.

NOTE: Exams administered on Blackboard in the classroom need to be taken on the computers provided, not on personal laptops, so I can view your screens from my desk.

Rescheduling exams: If you miss an exam, the next exam you take will count double (you will receive that grade for 2 exams). If you miss a second exam, it will need to be made up within **one week or receive a 0**. *Pop* ***quizzes*** *are worth 10 points each and are given as an attendance grade; therefore, they cannot be made up* (except in the event of an excused absence due to COVID or a ballgame for student athletes)**.**

Note:	For student athletes: If an exam is missed due to a ballgame, you can schedule a time to make it up with Charlotte or Student Support.
Late Homework**:**	In the event of an absence, I will accept late study guides and homework within <u>one week</u> of due date, but I will deduct points from homework**. It is always in your best interest to complete the homework and study guides on time as it should help you to do better on the exams.**
Note:	*<u>It is the student's responsibility to attain the notes and complete any missed assignments in the event of a necessary absence.</u>* (I will not contact you about missed work). However, you may text/email me if you have any questions or to find out what you missed. --*Missing the class before exam day is not a good enough reason to be excluded from taking the exam*. **You need to activate your UA Rich Mountain student email account as it is how I will communicate with you outside of class.** *If you have difficulties setting up your student email, contact Student Support Services*.
To access Blackboard:	Go to the UA Rich Mountain webpage. Once you have signed in to Blackboard, click on **<u>"courses"</u>** to the left of the page and choose General Psychology. The course is designed around several topics. To access all the resources, click to the right of the topic name. Everything you need (an overview of the topic, power point presentations, videos, etc.) should open and be available. **I will let you know in class if you are to complete an assignment in Blackboard.**
Available Tutoring	<u>If you are having extreme difficulty with class work, please make an appointment with me to discuss it</u>. You may obtain tutoring from student support services. Additionally, the university has made available 5 hours of free tutoring on tutor.com for every student. At tutor.com you can access a live chat 24/7. A student email is required to log in.
Academic Dishonesty	I encourage you to familiarize yourself with UA Rich Mountain's policies regarding academic dishonesty. These policies are found in the UA Rich Mountain Catalog/Student Handbook under **Code of Student Conduct > Prohibited Conduct > Dishonesty.** I have two additional requirements. **First,** you must do your own work. All papers, quizzes, and exams must be completed by you

without assistance beyond what is specifically authorized by me. I expect each student to do his/her own work on assignments and exams. *Cheating on an exam, or plagiarism on a paper will result in a zero (0) for that work. If I suspect you have cheated on an exam, I may require you to take another one over the material on paper in my office. Additionally, all instances of cheating/plagiarism will be reported to the Vice-President for Student Affairs.* **Second,** be respectful of your fellow students in class. Be kind and considerate during discussions.

Classroom Conduct:

I expect your full attention during lectures, please do not carry on conversations with your classmates or read material that is not related to class. **Please turn your cell phone off or to a non-sound mode during class and keep it in your backpack out of sight**. *If behavior becomes disruptive to your classmates or instructor (including cell phone usage) you may be asked to change seats or leave class after one warning which will result in an absence.* There will be no earphones allowed during class, and no pictures or videos taken without my permission.

Disability Policy:

It is the policy of UA Rich Mountain to accommodate students with disabilities, pursuant to state and federal law. Any student accommodations (e.g., in seating, placement, examinations, access to information on the web) should contact the Vice President for Student Affairs at 394-7622 ext. 1400.

Title IX and Discrimination Policy:

UA Rich Mountain adheres to a policy that enables all individuals, regardless of race, color, gender, national origin, age, religion, sexual orientation, veteran's status, or disability, to work and study in an environment unfettered by discriminatory behavior or acts. Harassment of an individual or group will not be condoned, and any person (student, faculty, or staff member) who violates this policy will be subject to disciplinary action.

Harassment that is considered discriminatory includes actions or conduct (verbal, graphic, gestural, or written) directed against any person or group with the intent to demean or create a hostile or threatening environment. It is not the intent of this policy to infringe upon or limit educational, scholarly, or artistic expression. Any person who believes he or she has been discriminated against should contact the Title IX Coordinator to obtain assistance and information concerning the filing of a complaint.

Student Misconduct:	Students committing misconduct are subject to disciplinary sanction(s) and or restrictions. Misconduct or prohibited behavior includes, but is not limited to endangerment, harassment, disruption, sexual misconduct, dishonesty, illegal drugs and/or alcohol, fire or safety issues, gambling, property violations, computer violations or other violations as listed in detail in the UA Rich Mountain catalog. ***See Something … Hear Something … Say Something*** Suspicious behavior should be reported to Deputy Sheriff at (479)394-6811 OR through an anonymous email link found on UA Rich Mountain webpage, bottom right-hand corner. The Deputy Sheriff's office is in the Spencer Building across from the library
Face Mask Policy:	Students are encouraged but not required to wear face masks in class or public spaces.
Arkansas Clean Air Act:	Effective August 1, 2010, and in compliance with the Arkansas Clean Air on Campus Act 8, U of A Rich Mountain is a smoke and tobacco free facility. Students and guests are to refrain from using all tobacco products while on campus.
Mission:	The University of Arkansas Rich Mountain provides transformative education to all learners.
