- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____

MINOR/SUPPORT COURSES Fifteen (15) hours required

Must be approved by advisor

- _____ _____
- _____ _____
- _____ _____
- _____ _____
- _____ _____

NOTES

All credit bearing classes qualify as electives for the AAS GT; **however**, a minimum of 30 hours should be in a technical field. Limit of 2 hrs HPR activity classes.

¹ College Mathematics (MATH2103) is for non-STEM majors

² Students enrolling in Math for Nurses (NSG 203) must have completed the first semester of LPN classes. NSG 203 satisfies the math requirement only for those enrolled in the ARNEC LPN-RN Transition program.

In addition to checking the Arkansas Course Transfer System for transferability of classes, the student should also check the transfer university’s website.

*Indicates prerequisite. Consult catalog

F, S, OD note the semester a class is generally offered; however, class schedules are subject to change

F=Fall S=Spring SMR=Summer OD=On Demand

FAQ

Associate of Applied Science General Technology

Q: What is the Associate of Applied Science General Technology (AAS GT) Degree?

A: The Associate of Applied Science in General Technology Degree is designed for students who have unique career goals. It allows the student, through a structured advising process, to build a coherent technical program from more than one technological area.

Q: How many hours are required in the AAS GT Degree?

A: Sixty (60) hours are required in this degree; forty-five (45) of those 60 hours are electives as approved by your advisor.

<i>English Composition*</i>	<i>6 hours</i>
<i>Mathematics**</i>	<i>3 hours</i>
<i>Social Science</i>	<i>3 hours</i>
<i>Computer Fundamentals/Applications</i>	<i>3 hours</i>
<i>Major Courses</i>	<i>30 hours</i>
<i>Approved minor/support courses</i>	<i><u>15 hours</u></i>
Total	<i>60 hours</i>

** 3 hours may be Technical Writing*

***May be Technical Math, College Algebra, Math for Nurses, or College Mathematics.*

Q: How do I decide what major and minor courses to take?

A: You will want to work closely with your advisor to ensure you are taking the appropriate major and minor courses for your intended plans; your major classes should be in a technical field or fields.

Q: How am I assigned an advisor?

A: Once you complete the application process and declare a degree, you will be assigned an advisor with expertise in your chosen degree. It is important for you to develop a good working relationship with your advisor as this is the person who will help guide you through your time at UARM. If you have questions about your advisor, call the Director of Admissions at 479-394-7622 ext. 1440.

Q: Will this degree transfer to a 4-year institution?

A: It is best to discuss this degree and your plans with your transfer institution. You can also research the transferability of courses within this degree on the RMCC internet. Access the UARM home page, and go to **current student > transfer information > transfer course equivalency guides**. You will also find a link to **ACTS**, the Arkansas Course Transfer System.

Associate of Applied Science (A.A.S.) Disclaimer The Arkansas Department of Higher Education has asked all Arkansas institutions offering an A.A.S. Degree to print the following general disclaimer: *"The Associate of Applied Science Degree is designed for employment purposes, and it should not be assumed that the degree or the courses in the degree can be transferred to another institution. While a few institutions have recently begun to accept some courses in A.A.S. programs, the general rule is that courses in the A.A.S. Degrees are not accepted in transfer toward bachelor's degrees. Students to whom transfer is important should get assurance in writing in advance and only from the institution to which they wish to transfer."*

Q: Where can I get more information about this degree?

A: Your advisor and the Student Support Services Transfer Advisor in the Johnson Learning Commons can help you with any questions you may have about this degree.

Q: What if I start having trouble or get behind in my classes?

A: Student Support Services, a federally funded TRIO program, is located in the Johnson Learning Commons. SSS offers a wide variety of free services to qualified students. In addition to tutoring, SSS offers academic and transfer advising, career planning, and study skills development.
