## I understand

• In addition to checking the for the transferability of classes , it is my

responsibility to confirm the transferability of my classes with my transfer institution. \_\_\_\_

https:/ Arkansas Course Transfer System (ACTS)

• Enrolling in a class not on my degree plan or approved as an elective may not be covered by financial aid, may not count toward graduation, and may not transfer. \_\_\_\_

• Courses with a grade of "D" are not guaranteed to transfer; institutional policies regarding the transfer of courses with

a grade of "D" may vary between institutions.

Transferability of courses five years or older, is at the discretion of the receiving institution.
