Any additional comments about the course or instruction?

Mr Webb has been a helpful and involved instructor. I feel comfortable knowing that he is available and responsive if I have questions regarding the lesson or assignment. Any failure

Great instructor, would recommend to any student. Explains the material well, but also gives you the freedom to work on your own time.

He's a fun instructor. Always trying to wake us up & make us laugh while teaching. 10/10

I enjoyed this class very much!
