## Fall 2020 BMiner EDU213-01 Course Comments

Any additional comments about the course or instruction?

Teacher is very [illegible]

Amazing teacher! very caring and supportive about our success in all classes, not just hers.

She's a good teacher, to extent. I wish she focused more on making sure we understand than just covering content. Also, she was clear about favoritism.

She is wonderful so helpful and understanding.
