Very enthusiastic & fun teacher!

Best professor ive had so far.

Mrs. Lunsford is a WONDERFUL instructor! I love having her class early in the mornings because her energy & personality is a wonderful start to the day. I feel like I have learned A LOT & I am confident in my grade. :)

Honestly the best history teacher I have ever had. Not at all what I expected as a teacher in college. So friendly, so enthusiastic, and overall one of my favorit teachers here at UABM
