**Fall 2020 KCarpenter HIS143-01 Course Comments**

Any additional comments about the course or instruction?

well spoken, engaged the class well, respectful, enthusiastic and honest. Very reassuring

My Best teacher!

The instructer is enthusiastic about his class, and gets everyone involved every class period. Overall, good and interesting course.

I really am starting to enjoy history more.
I also like the way you teach the class, I feel more encaged.
