## 4. Evidence of Student Learning

Describe the classroom activity/tools related to **course** objective (What did they do for the class which was tied to this objective? Was it a project? Discussion? Quiz?)

Describe Activity: Students were given a grammar pre-test the first week of class. Students were given a grammar post-test at midterm. Students then began writing their essays, with the expectation that grammar skills taught in the course be reflected in their papers.

**5. Reflection**

**A.** What was the result of this activity? (How do you know that students satisfied the course objective being measured?)

At midterm, 74% percent of the students showed significant gains in their understanding and application of grammar concepts. By the end of the semester, ALL students showed significant improvement in their use of grammar in their essays.

**6. Enter course data**

Number of students in your course(s) who met course objectives: 14

Enter the number of students total in your course section(s): 19

Enter the percent (%) of students achieving this course objective. (Data will be used on Program Outcomes Report under Evidence of Student Learning.) 74%

**7. Response to data:** Will you change how you teach as a result of this assessment?

Choose only one of the narration options below. If curricular changes are needed, briefly explain any changes planned for course improvement. If no changes are needed, indicate the rationale in the space provided below.

☐Changes(s) needed.

☒No change(s) needed
