**Fall 2020**

## 1. Purpose

The Course Outcomes Report supplies information each semester regarding student learning on the course level. This report must be submitted to your division chair by the last day of the semester. Data from this report will be integrated into the annual Program Outcomes Report on Student Learning.

## 2. Background

Course Name: World Civilizations to 1500 Course # His 143 Lec 02

## 3. Course Outcome(s) being assessed this semester

**Think of the evidence of student learning activity or project. Choose ONE outcome for this course.**
***Students will increase their understanding of the human condition, as well as the culture and society of both the nation and world in which they live.***

Strategic Goals: Select the Goal(s) associated with the Course Outcomes(s) being assessed this semester.
https://services.uarichmountain.edu/intranet/staff/annualpubs/

☐Goal One: Mission Driven
☐Goal Two: Ethically Based
☐Goal Three: Providing Access to Education
☐Goal Four: Quality Learning Environments
☒Goal Five: Student Success
☐Goal Six: Educational Partnerships
☐Goal Seven: Resource Development

Related Program Outcome: ***Students will increase their understanding of the human condition, as well as the culture and society of both the nation and world in which they live.***

Related GELO category: Choose one

## 4. Evidence of Student Learning

Describe the classroom activity/tools related to **course** objective (What did they do for the class which was tied to this objective? Was it a project? Discussion? Quiz?)

Describe Activity: ***Lectures, in-class readings with discussions, and biweekly Moodle journals***

**5. Reflection**

**A.** What was the result of this activity? (How do you know that students satisfied the course objective being measured?)

***Pre and post-test system of analysis for students demonstrated their increased understanding of global culture and society. Every student who submitted both a pre and post test improved.***

---

**6. Enter course data**

Number of students in your course(s) who met course objectives: 9

Enter the number of students total in your course section(s): 16

Enter the percent (%) of students achieving this course objective. (Data will be used on Program Outcomes Report under Evidence of Student Learning.) 56

**7. Response to data:** Will you change how you teach as a result of this assessment?

Choose only one of the narration options below. If curricular changes are needed, briefly explain any changes planned for course improvement. If no changes are needed, indicate the rationale in the space provided below.

☒Changes(s) needed. I need to do better with retention and keeping students coming to class. I plan on tying more of their grades to attendance and in-class participation assignments. Seven of the sixteen students enrolled in the class were absent for seven or more days this semester. Every student who consistently came to class improved. Thus, I need to keep them coming to class.

☐No change(s) needed

***Attach anonymous student samples of each activity along with the grading rubric / scale.**
**** Attach any meeting minutes associated with this assessment**
