PLunsford HIS143-01

Any additional comments about the course or instruction?

My teacher made it fun and welcoming. I've never been good or too fond of History but she made the content very understandable. This is the first history class I've actually enjoyed.

Mrs. Lunsford was great!

Mrs. Lunsford was very enthusiastic and made history fun. She was very knowledgable and helpful. I will be taking more classes taught by her in the future.

very good professor!

My favorite professor from this year
