**Ambassadors
Program**

What is a UA Rich Mountain Ambassador?

These Ambassadors are student spokespersons for the college. An ambassador is another avenue to help the recruitment and retention process. Under the supervision of the Recruiter, the ambassadors will help out with campus events, give tours of the campus, work in the admissions office, and attend recruitment activities off campus. An ambassador must have attended one of UA Rich Mountain's seven service area schools (Acorn, Caddo Hills, Cossatot River, Mena, Mt. Ida, Oden, or Waldron) or be a nontraditional student. Home school graduates from Scott, Polk and Montgomery counties are also welcome to apply!

Ambassadors may also be called upon to help with the interview process of future Ambassadors. Ambassadors must excel in their academics, display campus pride, and possess great communication skills.
