Any additional comments about the course or instruction?

Mrs. Marsha is an excelent teacher. Loved the course & coursework.

Great Teacher! Cares about Students and always helpful + understanding.

Ms. Marsha is one of the best teachers I have had at UARM. I dont give that title lightly. It was apparent that She geniunly cared about us learning the material. If teachers get grades, She gets an A+ in my book.

Great teacher! I learned a lot in this course and it was very effective towards my learning.
