Any additional comments about the course or instruction?

Dr. Gunn is an excellent professional. He is very passionate and extremely knowledgable in all his many years in education, both field learning and teaching; he excells as a educator. This class is definitely one of the

Honestly one of the best college professors I have ever had. Very knowledgable and here for the students!

Dr. Gunn was so knowledgable & hopefuel for A&P! Was a delight to be in his class! Totally recomend.

N/A

This was the best class I have taken. Challenging

great experience!

such a great teacher and lovely person overall

great class overall but this guy's memes SUCK!!!

Awesome instructer!

Excellent Instructor!
