If I could give him a 6 on these I would!
great Class all around

My favorite class this semester. Professor Carpenter is very knowledgable and responsive to students. I felt comfortable talking in class to ask and answer questions.

You are a very amazing professor!

The most enthusiastic teacher I've had the privilege of learning from.

No tests was great

Great class, helps us to think critically

I can tell you love what you do and you are a very effective teacher
