Any additional comments about the course or instruction?

a lot of content, instructor is a math god!

This class challenged me, but I learned alot

He's funny and knows what he's talking about :)

Was the best math teacher I have had. Explained very well and helped any time I needed.

Best math teacher I have ever had!

Very nice ♡

It was a good class but i am just not good at math.

I hate algebra but you were good :
