PLunsford PSI103-01

Any additional comments about the course or instruction?

Great teacher with basic methods of learning the class

She is an amazing teacher, best instructor i've had by far!

Best course EVER!! ☺

Professor Lunsford is very knowledgable and excited to teach every day. She presents material clearly and goes into depht about the information. Very enjoyable and easy to follow.

No

Good Stuff. Enjoyed it. picked instructor for a class next semester too.

Enjoyed being in this Class.

I like the lecture style and the "up-beat" pase of the lecture. I also appreciate the respect of our time, if we finish the lesson early we are free to go.
