MGates ENG123-02
Any additional comments about the course or instruction?

Some favoritism, but still gave everyone ~~else~~ equal respect and attention. Good materials

I enjoy coming to this class because it helpful for my learning skills and the instructor is very fun to be around.

It can be hard to find stuff in Blackboard sometimes, I get lost in all the menus

Mrs. Gates does a fantastic job of providing all of the resources needed to be successful.
