Any additional comments about the course or instruction?

The only class I actually learned in.

Mrs. Hooper was an awesome instructor & I really enjoyed having her this semester!

great course + great instructor

Build more off of presentations. Hard to wanna come for one day when it feels like you're just having a PowerPoint regurgitated to you with little else.

I genuinely like learning in this class, but when it comes to the tests, I feel like the study guides should be more detailed, I took the test today and I felt like I didn't know as much as I thought when I

Mrs. Hooper is an excellent instructor! she is very helpful and respectful! Overall, she is a great instructor with a great personality and very understanding! I, myself, Had no problem with her and I definetely enjoyed her class! Thank you, Kandi Nelson

I perfer a fully in college course, I don't like hybrids
