Mrs. Lunsford is passionate about history and it shows in her classes! I took two classes of hers this semester and I was throughly impressed with her teaching/lessons almost every day we had class. She encouraged questions through the semester and also encouraged us to keep up to date with current events.

Mrs. Lunsford is passionate about history and it shows in her classes! I took two classes of hers this semester and I was throughly impressed with her teaching/lessons almost every day we had class. She encouraged questions through the semester and also encouraged us to keep up to date with current events.

Mrs Lunsford is an exceptional teacher. I have throughly enjoyed and looked forward to class assignments each week. Her course work was challenging and effective to prompt critical thinking.

The course required students to have to actually work for their answers on assignments by reading the book. This encouraged learning the material for the class and was very effective for me.
