You will write a 1,200 word research paper. The topic will be picked by September 5 and can be found in Blackboard. The paper will be double spaced and in 12pt. font. Use the MLA style for citation and format. Each student will use the following resources for citation: One book from library, two ProQuest articles, one e-book, Google scholar articles. Sources will be cited in the works cited page as well as making a copy of the abstract or title page of the source to hand in as proof of research. Do not use Wikipedia. Word count on last page is mandatory. No plagiarism!! Paper will be submitted in Blackboard as an attachment.

The student will submit their paper with a works cited page, in-text citations, and copies of the research used for the paper. Within the copies of the research submitted, the student will show the source of the research including author, title, publisher, and date of publication. The student will highlight direct quotes and/or highlight ideas (see above color examples) that have been reworded, this will require additional photocopies. The student will then use one highlight color to designate the information used in research and to color code that in the paper. For example, use the pink highlighter to highlight research from the ProQuest e-book site, and then highlight in pink the sections in the paper where the ProQuest e-book has been cited. Highlight in green the Google scholar source from the research and highlight in green the sections in the paper where the Google scholar source has been cited and so on. If you need help with the research paper assignment (1) Find examples in Blackboard of what to send me. (2) In the UARM website under "current students", then find "library", next find where the link to "research guides" and watch a video on how to access the library catalogue, ProQuest, ProQuest E-book, and ILL. If you don't have success with this, you can contact the library for help. (3) Go to SSS in the library for help. (4) Don't wait until the last week to start or ask questions.
