The Entrance and Exit Exam scores were compared for incoming Freshmen of 2022 and those who graduated in May 2024. When we compared just the ones who took both the Fall 22 Pre-test and the Spring 24 Post-Test, these were the results.

Average Pre-test Score 47%

Average Post-test score 53.6% with a cumulative gain of 8.5%

Of the 22 students who took both the Fall 22 Pre-test and the Spring 24 Post-Test, 17 improved their score; one student improved their score by 24%.
